PEACE of MIND
WALLA WALLA GENERAL HOSPITAL

PREPARING YOU *for* DISCHARGE

Before I leave Walla Walla General Hospital/Adventist Health, the following tasks should be complete:

- I was in the hospital for _____.
- I have received education about my condition(s).
- The immunization(s) I received while in the hospital are _____.
- I have received a list of my medication(s), what they are for and when to take them.
My pharmacy is _____.
- I understand the potential side effects of my medications and that I should call my doctor
_____ or 911 immediately if I experience them.
- My doctor or nurse has answered my most important question(s) prior to leaving the hospital

_____.
- I have been involved in decisions about my discharge plan and understand where I am going
after I leave Walla Walla General Hospital _____.
- It is important that I know how to care for myself after I leave the hospital, including symptoms
to watch for and reasons to call my doctor.
- I have scheduled a follow-up appointment with my doctor and I have transportation to this
appointment.
- _____ is available to assist me after I leave the hospital.
- I have gathered all of my belongings to take with me.
- I understand that I may receive a survey and/or phone call regarding my stay at Walla Walla
General Hospital.
- _____

_____.

It was a pleasure to provide you with excellent care. We are always available if
you have any questions or comments about your care at 509-525-0480.

Sincerely, Your Nurse: _____

PLEASE BRING THIS BOOK WITH YOU TO YOUR NEXT DOCTOR'S APPOINTMENT(S).

PEACE *of* MIND

Restoring Peace...

Restoring Hope...

Restoring Health...

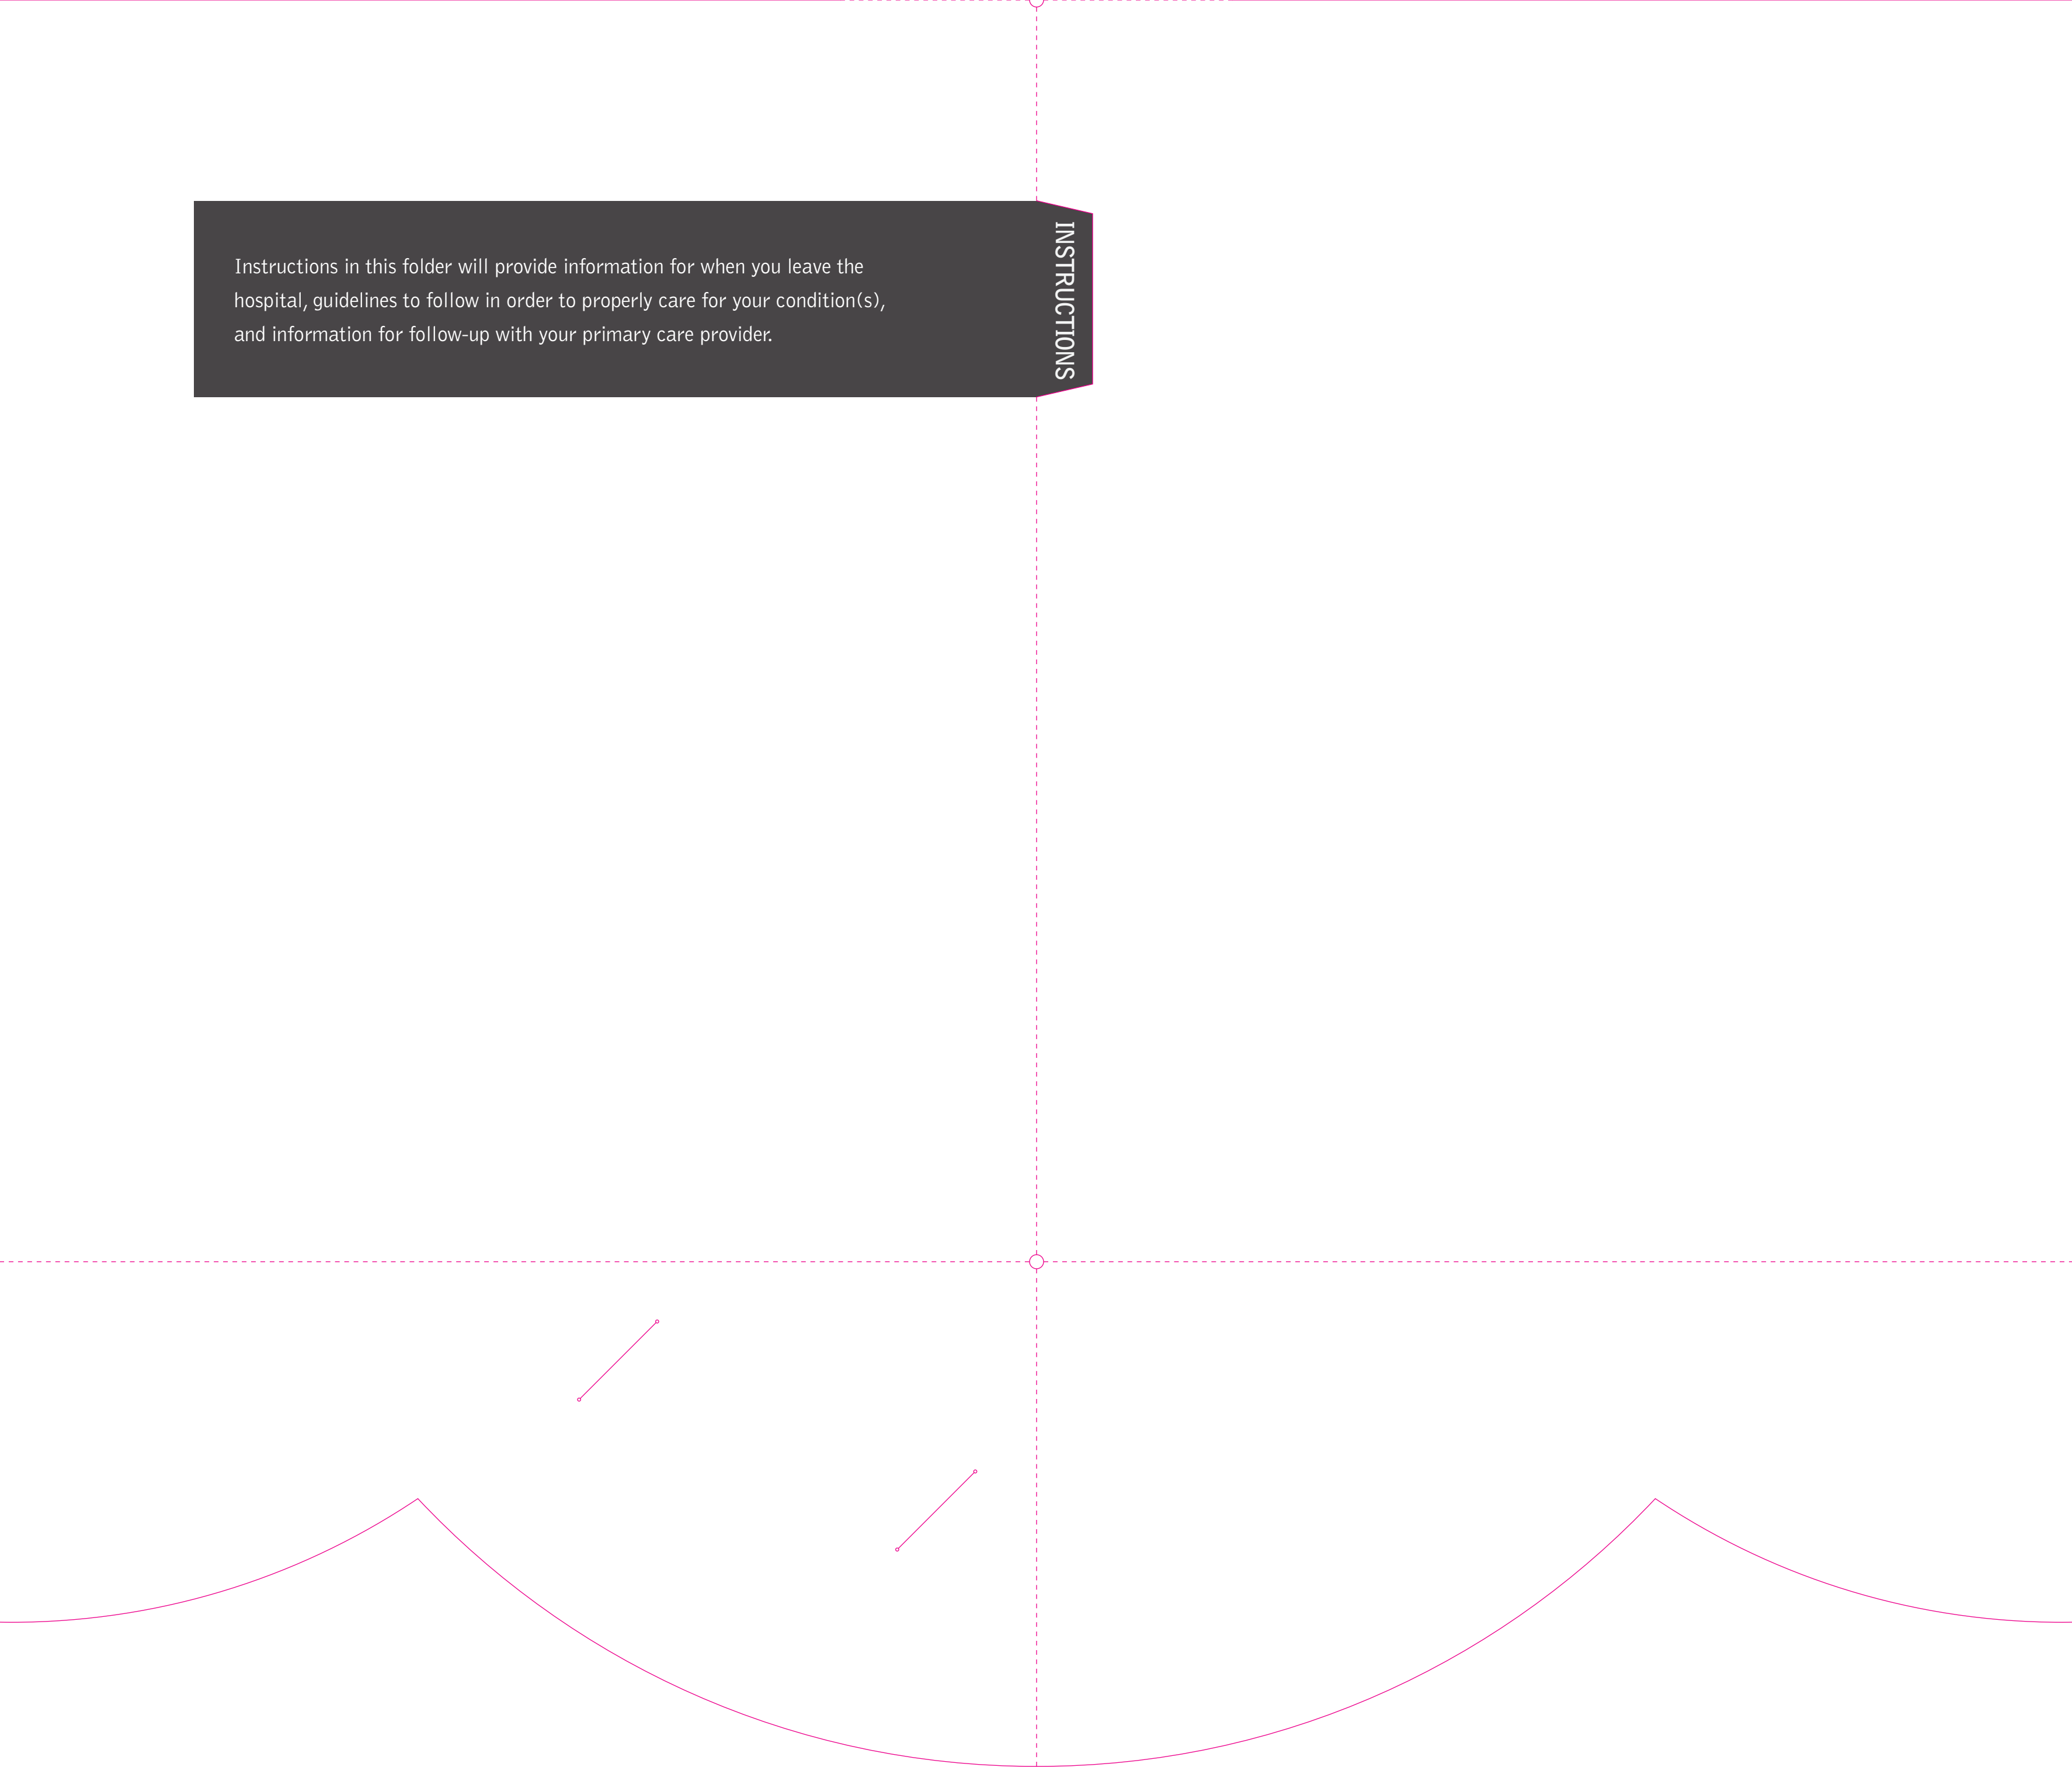

To do this as Christ did,

This is our Mission.

Instructions in this folder will provide information for when you leave the hospital, guidelines to follow in order to properly care for your condition(s), and information for follow-up with your primary care provider.

INSTRUCTIONS

If you feel you are not managing
your care well at home, Adventist
Health Home Care Services may
have resources available for you.

Home Health Care: 509-525-9006
Home Medical Equipment: 509-529-2649
Personal Care Services: 509-525-3825

In this folder you will find information about the condition(s) you have been treated for in the hospital. Information may include an explanation of the condition(s), causes, treatments, home care, follow-up, when to get prompt medical care for your condition(s) and more.

EDUCATION

If you need a prescription filled, Adventist Health Community Pharmacy can have your medications delivered right to your hospital room. Our pharmacy also offers convenient home or workplace delivery during weekday business hours.

Call 509-527-8100 for more information.

In this folder you will find a list of medication(s) to take when you leave the hospital. Please share this list with your primary care provider and/or specialist at your follow-up appointment(s). Information includes an explanation of the medication(s), what it is used to treat, possible side effects, and more.

MEDICATIONS

MyAdventistHealth provides you secure
online access to your personal health
record including tests and procedures, labs,
immunizations, medications and allergies. You
may review results from your hospital stay and
receive reminders about important care items.

Ask a member of your care team how to
enroll in MyAdventistHealth today.
